

EVERY SUPPORTER MAKING EVERY DAY COUNT

When a family has been told that there's no cure for their loved one's illness, Havens Hospices can help.

We're here to make the journey as comfortable as possible, controlling pain and medication, offering respite and caring for adults and children at the end of their lives.

Our specialist care is free, within the home and at our hospices.

We're a registered charity, and receive limited government funding.

Our hospices can only exist because of the support and generosity of the community.

Little Havens is just amazing, it's so hard to put into words, there's just something about it. It has given us the break we needed but it's so much more than that, it enables us to carry on. 

Amy, Zac's Mum
